

Tree Work Essentials: Chainsaws, Chippers and other Safety Concerns

Hosted by the North Canton Service Office

Who should attend? Individuals concerned with the safe operation of chain saws, including workers who regularly use chain saws on their jobs such as loggers, wood workers, tree trimmers, nursery and landscape workers, park and road maintenance workers, etc. should attend. In addition, others involved in trail maintenance, emergency response or any situation where a chain saw or wood chipper may be used, should also attend.

What you will learn:

- o Necessary PPE required while operating a chain saw & wood chipper;
- o How to perform a safety / maintenance check on a chain saw;
- o How to properly file a chain;
- o Safe work practices while using a chain saw;
- o How to establish a pre-felling checklist;
- o Safe operational procedures of wood chippers including start-up and shut-down and routine operational inspections.
