Why join a safety mastermind?

- Learn, grow and take your safety program to the next level
- Network & problem solve with peers
- Facilitated by an Ohio BWC industrial safety consultant

Details:

- Meets every other Tuesday, 1pm-2pm, via Zoom Meeting, starting Oct 6, 2020, ending Dec 15, 2020.
- Registration Deadline: Thursday, Oct 1, 2020
- Limited to 10 participants (5 minimum)
- Must complete this 1-page [Application/Agreement Form](#).

Accident Investigation Analysis: This program will consist of six sessions completed over a twelve-week time period. Attendees will be expected to attend every other Tuesday from 1:00pm till 2:00pm to participate in live sessions. During these sessions various aspects of safety and health accident investigation will be explored including but not limited to: written investigation procedures, facility accident report development, training of investigators, Managed Care organizations role and expectations and OSHA recordkeeping requirements. After each session participants will be matched with a new accountability partner and assigned projects to complete and report back on at the next session.

What is a Safety Mastermind? The Safety Mastermind Series is a set of 1-hour meetings facilitated by a safety & health expert in which individuals will collaborate on a specific topic. During each of the session's individuals will work on developing and improving areas within their organization based on the stated topic. Participants can expect to end the session with a deeper understanding of the subject matter, improved policies and procedures within their own facilities and an overall improvement in their safety culture. The series is designed to allow for a deeper dive into a specific subject and create an environment of accountability and improvements. This series also creates great networking opportunities for information and idea sharing related to safety and health issues. Due to the interaction and feedback sessions attendance will be limited to 10 attendees and registration is first come first serve.
